PASSIONATE ABOUT OUR BUSINESS

French specialist in ready-to-fill since 1964, our company manufactures and markets pastry biscuits for professionals, who customize them according to their creativity and expertise.

Our products are made from traditional recipes, thanks to an efficient production tool and high quality processes.

Our goal is to offer pastry solutions, which facilitate the work, while respecting the taste and health. LA CIGALE DORÉE, French manufacturer, is constantly modernizing its production site, which has been IFS Food certified since March 2020.
